INVERTER MULTI-PROCESS WELDER WITH INTEGRATED TROLLEY & STORAGE

With IGBT and PFC technology the ADVANCEMIG 255C pack includes a multi-process welder to suit a range of jobs; a must have for the industry professional. The ADVANCEMIG 255C welder itself has high quality overspecified electronics and extreme stress testing up to 440V and IP23 protection, meaning this machine is built to withstand the harshest of environments found in the NZ workplace.

Welder

- IGBT Inverter technology for smooth & stable welding output
- 4 Roll geared metal wire feeder unit provides a powerful and smooth wire feed
- Digital microprocessor control system with superior & dynamic arc characteristics
- Increased duty cycle and energy efficiency with active PFC technology
- Multi voltage input - will operate with wide range of input voltage, can even be used with long extension leads
- Smart full colour LCD display for a clear and intuitive display of parameters
- Synergic MIG operation with parameter save/recall, an intuitive, simple setting of controls for consistent welding results
- Remote control spool gun connection gives effective results welding with soft wires such as aluminium. Suitable for MIG brazing with bronze wires.
- Lift TIG operation with down slope and remote current control ability.
- Great control MIG welding with adjustable pre flow, post flow, burn back and soft start settings
- Reversible polarity for gas & gasless MIG welding.
- MIG waveform gives good control of the arc for smooth welding results
- Lightweight & compact design ideal for portable applications
- Extreme stress tested in production up to 440V, ensuring rugged reliability
- Industrial IP23 casing with front panel protection, resists damage, moisture and corrosion
- Durable and reliable with high quality & over specified electronic components
- Intelligent protection system with temperature, voltage and current sensors for increased reliability & safety
- Designed to work with generator power supply with protection from power surges.
- Quick connect inlet gas fitting

Trolley w/ Storage Unit (#32673)

- Handy-sized trolley, heavy duty wheels making it super portable
- Multiple enclosed compartments for safe storage
